

Ultra Flat LED Pool Light - PL Series

Function

The Ultra flat LED lamps are suitable for swimming pools, fountains, decorative or display lighting. The LED lamps comes in single or multicolour (RGB) providing a range of colours and effects which can create a special ambience to the pool depending on the users mood or special occasions. The LED lamp is fully sealed so water cannot penetrate or damage the fixture. The ultra flat LED lamps can be installed in existing PAR 56 light fixtures without the need to replace them.

RGB LED lights have an embedded 16 programmed animation can be controlled using the RF remote (RM-200) or by simply turning off and on the lamps in a sequenced manner. For more information please contact Aquashi.
