

# UV Lamps - UV Series

## Function

UV lamp technology for disinfecting liquids is based on the natural disinfectant action of the sun's rays. Our UV systems produce the same ultraviolet germicidal rays, but thousands of times stronger. The water quality, both physical and chemical, remains identical before and after treatment using the UV technique.

Model No.	Power (W)	Lamp Voltage (V)	Life time (Hr)	Lamp Efficiency (%)
UV-75	75	90	8000	36
UV-220	220	90	16000	36
UV-350	350	172	16000	36
UV-440	440	88	12000	36
UV-600	600		9000	36
UV-1000	1000		9000	36
UV-2000	2000		9000	36
UV-2500	2500		9000	36
UV-3000	3000		9000	36
UV-3500	3500		9000	36
UV-4000	4000		9000	36
